

PSSST..... ODYSSEY OF THE MIND TEAM PARENTS AND GUARDIANS!

(Yes, **you**, the ones who are driving the carpools, forking out money for pizza, opening closets for major scavenging, waiting while the team cleans up after a meeting, postponing dinner because one more prop needs finished, and generally watching from the sidelines while the team "gets creative!")

DID YOU KNOW...

You are the team's secret weapon for success??

You are the "wind beneath the wings" of the team and the coach??

You are a vital part of Odyssey of the Mind??

DID YOUR CHILD TELL YOU THAT YOU MAY NOT HELP??

That is absolutely **wrong!**

That is absolutely **right!**

(Well..... which is it???)

BOTH! You may do many things to help the team, but there are also things you might want to do that would cost the team penalty points. So... how do you know the difference? Here is your own handy, dandy, just-for-parents guidelines!

WHAT PARENTS *CAN DO*:

- Transport the team to buy things
- Transport the props
- Teach the team members a skill
- IF the team asks, such as
 -Sewing
 -Woodworking
 -Calligraphy
 -Art
 -Electronics
 -Engineering

WHAT PARENTS *CANNOT DO*:

- Suggest what to buy
- Repair props if broken in shipping
- Suggest to the team which skills to use to solve a problem
- Suggest to the team which skills would result in a better-looking or better functioning solution
- Give the teams **any** ideas for their problem solution
- Sew anything, paint anything, do

-Principals of simple machines
-Welding
- Help provide snacks
- Bring spontaneous problem supplies
- Help get props into the building for the Tournament, even to the staging area
- Open attics, closets, basements for "garage sale value" materials
- Provide lots of encouragement
- Provide a place to meet/store props
- Get everyone and everything to the Tournament
- Applaud A LOT and help get props offstage afterwards

- problem solution
- Sew anything, paint anything, do anything to contribute to the team's problem solution
- Analyze why something failed
- Expect perfection from a solution not done by adults (or from a solution done by adults, for that matter!)
- Suggest what materials to get from the attic, closet or basement
- Fix anything that breaks
- Criticize any part of a team's solution
- Put emphasis on scores instead of fun

As you can tell, parents ARE important, as resources for leaning skills, helping get materials, providing moral support, supplementing working brains with nourishment, and generally facilitating the logistics of a working team. Without your encouragement, your child will not develop the self confidence that Odyssey of the Mind promotes.

OUTSIDE ASSISTANCE

* What parents may not do is provide the dreaded "Outside Assistance", for which the team will receive penalties at the tournament. Just remember that all ideas for the **long term problem** solution, as well as all of the implementation of those ideas, must come from a team member.

* **However**, there is NO "Outside Assistance" rule in Spontaneous Problem Solving, so feel free to assist the coach, practice at home around the dinner table, and have fun with your family doing spontaneous problems with your child and/or other children. (Everyone loves spontaneous!)

PARENT or Guardian RESPONSIBILITIES

On Tournament Day

Your Odyssey of the Mind team relies on parents and guardians for help. We welcome friends, relative, and office associates, too!

Here are the opportunities for parents, friends, and relatives to help make the regional tournament possible. We feel certain you will enjoy helping, and few volunteer opportunities directly benefit so many children in an educational program!

HELP is needed on Tournament Day You could offer to:

- Be an **official** (This involves a training in January or February on a Saturday to learn to be a judge on Tournament day.)
- Be a **volunteer** (Each team must provide a volunteer to work at registration, concessions or in the spontaneous holding area for approximately two hours on Tournament Day. It's scheduled around your child's performance times so you won't miss being able to support the "home team".)

We may ask you to help the team get props in and out of the building, to move your car from loading and unloading areas as quickly as possible, pack some food for the team, to give the coach bathroom breaks, etc. and to bring a sense of humor to the tournament (because Murphy's law is an Odyssey of the Mind condition!)

We at MSAD #57 believe that this program offers something unique for your children. We believe that they will learn teamwork, creative problem solving, divergent thinking, persistence, practical skills, and many other abilities through Odyssey of the Mind. Please remember we are all volunteers working together to make this happen.

A big **THANK YOU** from all of us for your support of Odyssey of the Mind.
