Why should YOU
attend? You'll...

- Learn from experienced coaches in an interactive, small group setting.
- Establish connections with mentor coaches, MAC Board Members and others.
- Receive a packet of information plus immediately useful materials to use with your schools, teams & parents.
- Receive digital access to the long versions of this year's problems.
- Have lots of opportunities for your questions to be answered.
- Learn how to coach and support your team without giving outside assistance.
- Gather ideas to get your team started, maintain momentum, deal with typical road blocks, etc.
- Develop a sense of confidence, know and understand how to coach your team.

Support materials, such as spontaneous problem & reference books, will be on sale.
